R. THOMAS GAGLARDI

Owner and Governor

R. Thomas (Tom) Gaglardi is the owner and governor of the Dallas Stars Hockey Club and the president of Northland Properties Corporation, the largest family-owned hospitality company in Canada with its head offices located in Vancouver, BC. He was officially introduced as the sixth owner in franchise history on November 21, 2011.

A passionate and knowledgeable leader who is deeply involved in all aspects of the family's business, Gaglardi began his career in the hospitality industry at age 13 as a busboy and has worked in virtually every area of his business since that time. He spent considerable time in construction, hotel and restaurant operations, real estate development and finance. At age 23, he was promoted to president of the Sandman Hotel Group, and at 26 he became president of Northland Properties Corporation, the Gaglardi family's umbrella company. Under his direction, Northland has grown to include a large portfolio of hotels including Sutton Place Hotels & Resorts, along with several restaurant chains including Denny's Restaurants of Canada, Moxie's Classic Grill, Chop Steakhouse & Bar, and Shark Club Bar & Grill. The family also owns and operates a large real estate portfolio and the world renowned Revelstoke Mountain Resort. In addition to his role with the Stars, Gaglardi is a co-owner of the Kamloops Blazers Hockey Club of the Western Hockey League and serves as its governor.

An active member of the community, Gaglardi founded the Sandman Harvest Foundation, which has raised over \$1 million for disadvantaged and medically challenged children living in the Okanagan Valley of British Columbia. He also serves as trustee for the PA and JM Gaglardi Senior Citizens Society, a non-profit society providing housing for seniors in Kamloops, B.C., and serves on the board of St. George's School in Vancouver. He founded the Josh Dyck Foundation to assist Josh with his recovery from an auto accident in October 2006, which left him paralyzed and confined to a wheelchair.

Gaglardi and his wife Brittney have three sons, Charlie, Bennett and Wilson all of whom play competitive ice hockey. In addition to his own participation on his hockey team, Gaglardi enjoys playing golf and spending time with his family at their cottage on the shores of Kamloops Lake near Savona, BC.

JAMES R. LITES

President and CEO

Dallas Stars owner Tom Gaglardi appointed Jim Lites President and CEO of the Stars on Nov. 18, 2011. Lites is very familiar with the position having held it twice previously under prior owners Norm Green and Tom Hicks.

Lites returns to the Stars with a reputation as one of the finest administrators in professional sports. He is responsible for all aspects of the Dallas Stars hockey and business operations and reports directly to Mr. Gaglardi. Lites also returns as an Alternate Governor on the NHL's Board of Governors, a role he held from 1982-2007. Over the years Lites has served on the Board's marketing, broadcasting, expansion and game committees.

Over the course of Lites' two prior stints with the Stars (1993-2002; 2003-2007), the team won seven Division Championships, two Western Conference Championships, two Presidents' Trophies, and the 1999 Stanley Cup. He played an active role in the conception, design and construction of American Airlines Center and the construction of the Dr Pepper StarCenter ice facilities.

From 1999-2002, Lites also served as president of MLB's Texas Rangers, becoming one of only four executives at the time to simultaneously manage the affairs of two major league franchises. He served three years on MLB's Executive Council and was President when the Rangers captured the 1999 AL West Championship.

Prior to joining the Stars in 1993, Lites served 11 years as Chief Operating Officer of the Detroit Red Wings, who during his stint won three Norris Division Championships and two Norris Division Playoff Championships after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL in 1990, 1991, 1992 and 1993. Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played important parts of the Red Wings' record-setting and Stanley Cup Champion hockey clubs.

While with Detroit, Lites also served as chief operating officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was also responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

From 2007 until being rehired by the Stars in 2011, Lites managed the New York Football Giants' Personal Seat License program at MetLife in East Rutherford, New Jersey. That program was one of the most successful of its type in history.

Born and raised in Pentwater, Michigan, Lites received a bachelor of arts degree with highest honors from

the University of Michigan in 1975 and graduated cum laude from Wayne State (MI) University Law School in 1978. He specialized in litigation and labor contract negotiations when he practiced law. Jim and his wife Kim reside in Frisco. They have four children, sons Chase - 28, Sam - 24, Chandler - 22, and daughter Brooke - 29.

BRAD ALBERTS

Chief Revenue Officer

Brad Alberts rejoined the Dallas Stars management team in February of 2012. He oversees the corporate sponsorship, broadcast, and in-game entertainment teams. He will also be instrumental in all aspects of strategic planning for the Stars.

Alberts' background includes over 15 years of professional sports experience selling tickets, suite and premium seats, and sponsorship sales. He previously served as Executive Vice President for the Dallas Stars and Texas Rangers heading the sponsorship sales efforts for both organizations. Most recently he served as vice president of strategic partnerships with

Legends Sales & Marketing, a company owned by the Dallas Cowboys and New York Yankees.

Over Alberts' 10 years in various sponsorship roles he has been instrumental in making American Airlines Center one of the top ranked revenue buildings in North America, hosting the NHL All-Star Game (2006), the NBA All-Star Game (2010), NCAA men's and women's basketball contests and countless other sporting events and concerts.

Alberts received his bachelor's degree in history from Ripon College in 1992, where he was a four-year letterman and co-captain of the basketball team. He received his master's degree in sports administration from the University of Northern Colorado in 1995. Alberts is active in the non-profit community and resides with his wife, Kate, and their daughter, Grace, in Southlake.

JASON FARRIS

Chief Operating Officer

Jason Farris joined the Dallas Stars in January 2012 as executive vice president. In his now dual role of chief operating officer and chief financial officer, Farris oversees all aspects of Dallas Sports & Entertainment's finance and administration, box office, human resources, and information technology. He also has responsibility for leading the business areas of merchandising, the Dr Pepper StarCenters, and the 6,000 seat Dr Pepper Arena in Frisco, Texas. Within the community, Farris serves as board chair of the Dallas Stars Foundation, is a member of the advisory board of the Dallas Stars Alumni Association, and leads the Stars youth hockey initiatives that endeavor to continue to grow the game of hockey at the grassroots level in Texas.

A native of Vancouver, Farris brings a depth of business expertise and passion for hockey to the Stars. Farris was the President and CEO of Citizens Bank of Canada, one of 21 Schedule I banks in Canada. Before financial services, he spent ten years in the software industry as an executive with Fincentric Corporation and earlier with MacDonald Dettwiler & Associates. A multi-dimensional professional, Farris also founded the publishing company, circaNow Media. Through circaNow, Farris authored and published four hockey books: Behind the Moves: NHL General Managers Tell how Winners are Built (2011) which was hailed as "the most important hockey book in over a decade"; Hail Cesare: Trail through the NHL (2006) about Stars' franchise legendary goalie, Cesare Maniago; a national best-seller in Canada, Hockey Play-by-Play: Around the NHL with Jim Robson (2005) and its encore edition, Hockey Play-by-Play: Canuck Captains with Jim Robson (2010).

Farris holds a master of science in management from MIT Sloan School of Management in Cambridge, Massachusetts. He also holds a bachelor of arts in political science from the University of Toronto and a bachelor of science in physics from the University of British Columbia in Vancouver. He has been a member of the Society for International Hockey Research since 1995 and is a contributor to Total NHL and to the annual NHL Official Guide and Record Book.

Farris is never far from the rink. For years he was a Hockey Canada official, having refereed and lined hundreds of minor hockey games. Though he grew up between the pipes, he can now be found playing in local men's league games as a centerman or right winger.

Jason and his wife Sarah have two children, Jane and Owen and they reside in University Park.

MIKE MODANO

Executive Advisor and Alternate Governor

Mike Modano returns to the Dallas Stars organization as an executive advisor and alternate governor after one of the most illustrious careers in the history of the NHL. In his new role with the club, Modano works with Owner Tom Gaglardi and President Jim Lites on all initiatives relating to the Dallas Stars Ownership Advisory Group, Dallas Stars broadcasts, and corporate partnership endeavors.

The Livonia, Michigan native is the all-time leading American-born scorer, amassing 561 goals, 813 assists, totaling 1,374 points in 1,499 career NHL games. Aside from his impressive overall career stats, he is the Dallas Stars franchise leader in nearly every category, including games played (1,459), goals (557), assists (802), points (1,359), game-winning goals (92), power play goals (156), and short-handed tallies (29). He is also the franchise leader in playoff games played (174), goals (56), assists (87) and overall points (143). The seven-time NHL All-Star, and 2012 United States Hockey Hall of Fame inductee helped lead the Dallas Stars to two consecutive Stanley Cup Final appearances, and was a key reason the team captured the 1999 Stanley Cup.

Modano represented Team USA on 11 different occasions across three decades, including the 2002 and 2006 Olympic Winter Games. He was also apart of the U.S. Men's National Team that captured the silver medal at the 2002 Olympic Winter Games and helped Team USA to a gold medal finish at the 1996 World Cup of Hockey.

His contributions reached beyond the ice, as he is credited with helping to grow the game of hockey in the State of Texas. When the Stars first arrived to Dallas in 1993, there were fewer than 250 recreational hockey players and just five sheets of ice in the Metroplex. Today, there are over 5,000 recreational hockey players, playing on over 20 sheets of ice in the area.

Selected by the Minnesota North Stars as the first overall pick in 1988, Modano announced his retirement from the NHL after 21 seasons on Sept. 23, 2011. The Dallas Stars have announced they will permanently retire his sweater number (No. 9) at a ceremony at American Airlines Center on March 8, 2014.

JIM NILL

General Manager

Jim Nill is entering his first season as general manager of the Dallas Stars after being appointed to the position on April 29, 2013 by Owner and Governor, Tom Gaglardi. He becomes the 11th General Manager in franchise history and the sixth since the team moved to Dallas.

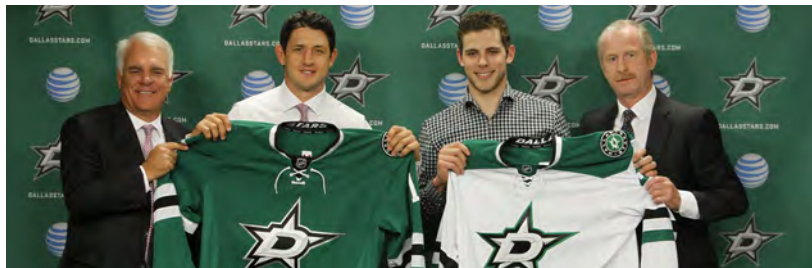

Nill, 55, spent a total of 19 seasons as a member of the Detroit Red Wings management team, the last 15 of those as the team's assistant general manager. His responsibilities with Detroit included directing the amateur scouting department, overseeing all selections at the annual NHL Draft, as well as managing the development of the organization's prospects at both the professional and amateur levels.

During Nill's tenure in Detroit, the Red Wings had more wins than any other franchise in the National Hockey League, won four Stanley Cups (1997, 1998, 2002 and 2008), six Presidents' Trophies (1995, 1996, 2002, 2004, 2006 and 2008), 12 Central Division titles (1995, 1996, 1999, 2001, 2002, 2003, 2004, 2006, 2007, 2008, 2009 and 2011), seven regular season Western Conference titles (1995, 1996, 2002, 2004, 2006, 2007 and 2008), and never missed the playoffs. He was an integral part of Detroit's drafting of Pavel Datsyuk, Henrik Zetterberg, Niklas Kronwall, Valtteri Filppula, Jimmy Howard and Johan Franzen, amongst others.

Nill was also general manager of Team Canada for the 2004 IIHF Men's World Championships in the Czech Republic. Canada captured gold by defeating Sweden 5-3 in the championship game.

The Hanna, Alberta, native joined the Red Wings' front office in the summer of 1994 following three seasons with the Ottawa Senators. Previously, Nill enjoyed a nine-season NHL career as a right wing with the Boston Bruins, Vancouver Canucks, St. Louis Blues, Winnipeg Jets and Red Wings. He collected 58 goals, 87 assists and 854 penalty minutes in 524 regular season games. Nill later went to Adirondack as a player/coach, retiring as a player after the 1990-91 season. A member of the 1979-80 Canadian National and Olympic teams in 1979-80, he was a fifth-round pick of the St. Louis Blues (89th overall) in the 1978 Draft.

Jim resides in Frisco with his wife Rebecca and have three children: Jenna, Trevor and Kristin.

LES JACKSON

Assistant General Manager

Les Jackson enters his 26th season with the Stars, dating back to the club's days in Minnesota. His role consists of managing and overseeing the club's scouting program, as well as monitoring the development of all amateur and professional prospects.

Jackson, 60, is widely respected as one of the best talent evaluators in hockey, having helped build the Stars into the consistently competitive hockey club that it has become over the last two decades. Learning from the tutelage of respected general managers such as Bob Clarke, Bob Gainey and Lou Nanne, Jackson also assisted in the evaluation of players as it related to movement within the organization, including the entry draft, trades and free agent signings. During Jackson's tenure, the Stars have selected future NHL stars such as Mike Modano, Derian Hatcher, Jere Lehtinen, Jarome Iginla, Marty Turco, Brenden Morrow, Jamie Benn, and Loui Eriksson among others.

Jackson, a native of Manning, Alberta, was drafted by the Boston Bruins in 1972 and played two seasons in the minors prior to his career as a hockey executive. His minor professional coaching career included stints in Billings and Great Falls, Montana; Tucson, Arizona; and New Westminster and Revelstoke, British Columbia. He also spent five years as assistant coach and general manager of the Western Hockey League's Brandon Wheat Kings.

SCOTT WHITE

Director Hockey Operations/Texas Stars G.M.

Scott White was promoted as Dallas' director of hockey operations in May 2013. He also serves as the general manager for the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL). White is the only general manager in the history of the Texas Stars Hockey Club, and was instrumental in building Texas' 2009-10 inaugural season team, which made a run to the 2010 Calder Cup Finals.

A member of the Dallas Stars organization since 2005, White previously served as a professional scout and director of minor league operations. He headed up the hockey department for the Iowa Stars, Dallas' then-primary affiliate, for three seasons. Prior to joining the Stars organization, he served as head coach of the Columbia Inferno of the ECHL for four seasons, qualifying for a playoff berth each year. He also guided Columbia to a Kelly Cup Finals appearance in 2003 and finished with a 165-87-36 record (.635) in over four seasons with the Inferno. In Columbia, he was responsible for all the club's hockey operation activities, including recruiting, scouting, trades and roster moves. White worked as an assistant coach with the Greensboro Monarchs (ECHL) for a season and a half, and was an assistant coach at his alma mater, Michigan Tech University, from 1994-1999.

White played five years of professional hockey from 1989-1994, including three seasons with Greensboro, where he won the 1990 ECHL Championship and earned ECHL Defenseman of the Year and First-Team All-ECHL honors for the 1991-92 season. He signed with the Ottawa Senators in 1992 and played the entire season with the club's developmental affiliate in New Haven, capturing team MVP honors after scoring 54 points (10 goals, 44 assists) in 80 games. The Quebec native finished his professional career with 235 points (55 goals, 180 assists) in 190 regular season games and 40 points (8 goals, 32 assists) in 41 playoff games.

White and his wife, Kathy, have four children: Emily, Katie, William and Madelyn.

MARK JANKO

Director, Hockey Administration

Mark Janko begins his 14th season with the Dallas Stars organization, and sixth in Hockey Operations. He spent eight seasons in the stars public relations department, most recently as director of public relations from 2005-2008. As director of hockey administration, Janko is primarily responsible for Collective Bargaining Agreement compliance, cap management, contract negotiations and research, salary arbitration, strategic planning and works closely with Dallas' scouting staff, with an emphasis on the professional level. He also serves as the team's liaison for all player transactions with NHL's Central Registry.

Janko, 37, joined the Stars in 1999 after serving in the media relations department for the Mighty Ducks of Anaheim during the 1998-99 season. AMERICAN AIRLINES CENTER

The American Airlines Center continuously sets new standards for sports and entertainment and is the premier venue of the South. It's grand complex with sweeping vistas and inviting passages comprise five concourses, 112 luxury suites, 22 theater box suites, two 50 person suites and room for 18,532 hockey fans.

Designed by world-renowned architect David M. Schwarz and Dallas based HKS, Inc., the American Airlines Center is a combination of traditional architecture and hi-tech wizardry. Outside, the signature arches are warm and inviting; inside, the retractable seating brings the bowl in closer to the action, allowing fans a more intimate experience and exceptional sight lines.

American Airlines Center has been repeatedly nominated for "Arena of the Year" by leading concert industry publications, Pollstar, and in 2012 ranked number three in the US for Year End Ticket Sales.

American Airlines Center first opened its doors on July 28, 2001, when The Eagles took the stage in front of a sold out crowd. In addition to The Eagles, some of the world's most legendary performers have appeared at American Airlines Center including Coldplay, U2, The Rolling Stones, Billy Joel, Elton John, Rod Stewart, George Strait, Cher, Tom Petty, Bruce Springsteen, Maná, Paul McCartney, and so many more.

The American Airlines Center has been no stranger to major sporting events. In addition to the Dallas Stars and Dallas Mavericks, the Center hosted the 2002 & 2006 NCAA 1st and 2nd Round Men's Basketball Tournaments, The Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, 2009 U.S.A. Gymnastics Visa Championships and other events such as Boxing and Ultimate Fighting Championships. The Center was a proud host of the 2007 NHL All-Star Game, 2006 and 2011 NBA Finals and hosted events during the 2010 NBA All-Star Weekend.

American Airlines Center was designed to keep hockey ice in perfect condition even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and 320 tons of refrigeration. In addition, a 3,600-ton air-conditioning system and a dehumidification system extract 500 gallons of moisture per hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called Ice Deck, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. The Zamboni is retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

AMERICAN AIRLINES CENTER

Thanks to the most sophisticated retractable seating system ever designed for a sports and entertainment venue, the conversion between basketball and hockey is record setting. The patented design allows conversion from an ice rink to a basketball court or concert setting in less than two hours.

Regarded as one of the most technologically advanced arenas, American Airlines Center premiered a one-of-a-kind sight and sound system in the 2009-2010 hockey and basketball season.

During the summer months of 2009, American Airlines Center installed the first 1080 high-definition center scoreboard in the NBA and NHL. Digital video throughout the arena bowl increased by over 300 percent with the addition of a new high-definition center scoreboard and two stadium-sized video displays that dominate the upper end walls. Matching the spectacular HD video experience is a state-of-the-art concert quality sound system. The digital six speaker linear system delivers audio effects that the American Airlines Center visitor can both feel and hear.

VICTORY PARK

Anchoring the 72-acre Victory Park development, American Airlines Center serves as the backdrop to Dallas' most vibrant urban gathering space. Built on land that was once home to an old city dump, a meat packing plant and an old power plant, Victory Park is the largest Environmental Protection Agency brownfield project in the United States.

Only steps away from jogging trails like the Katy Trail and green spaces, Victory Park is in the heart of the "new Dallas" – an area on the west side of downtown experiencing tremendous growth and offering unprecedented promise for the future. More than \$6.5 billion in new construction is now under development in Victory Park and the area surrounding it, from the gorgeous Calatrava Bridges to the Arts District and Woodall Rodgers Park to the Perot Museum of Nature and Science.

The Victory Park neighborhood is the crossroads for nearby urban districts, from Uptown to the Design District to the Central Business District and steps away from the DART commuter rail station and the Trinity Railway Express connecting Victory Park to Dallas, Fort Worth and beyond.

Today, Victory Park is one of the "greenest" developments in the country. More than 1,000 trees have been planted in the neighborhood and all of the electricity in Victory Park is purchased from providers generating 100% renewable energy.

DR PEPPER ARENA

The Dallas Stars Organization opened the Dr Pepper Arena in Frisco, TX, in June 2009, and it has become the premiere entertainment venue in Collin County.

Formerly known as the Deja Blue Arena at the Dr Pepper StarCenter, the facility underwent a major renovation through a partnership between the Dallas Stars, the City of Frisco and the Frisco ISD. The original facility opened in 2003; Dr

Pepper Arena now serves as the name of the entire complex.

Most of the renovation took place on the arena side of the complex, which began in the summer of 2008. Dr Pepper Arena's capacity went from 3,500 to just over 6,000. Additions to the arena included a 1,000-space parking garage, extensive kitchen/catering capabilities, 12 luxury suites and a VIP club.

Dr Pepper Arena opened June 1, 2009 and featured many entertaining guests and shows in its first year, including Bill Cosby, Cirque Du Soleil, Hillsong United, Championship Boxing, Steele Cage Mixed Martial Arts and the Harlem Globetrotters. The facility will continue to showcase great entertainment as well as sports in Collin County. Dr Pepper Arena is also the home to the Texas Legends, the Dallas Mavericks' D-League affiliate.

"Dr Pepper Arena has been very successful since its expansion was completed," said Dallas Stars Chief Operating Officer, Jason Farris. "It is the premiere entertainment venue in Collin County and the Frisco area. We look forward to many more great events coming to Dr Pepper Arena."

Dr Pepper has been a strong partner of the Dallas Stars since the hockey club came to North Texas in 1993.

"We are very proud of our longstanding relationship with the Dallas Stars through our sponsorship of the team and our continued involvement with Dr Pepper StarCenters throughout the Metroplex," said Jim Trebilcock, executive vice president and chief marketing officer for Dr Pepper Snapple Group, based in Plano. "Dr Pepper Arena brings that relationship to a new level, providing a state-of-the-art sports and entertainment venue for the Frisco community and in the process gives the Dr Pepper brand even more visibility here in our home market."

"We've been very happy with the Dr Pepper Arena over the past few years," said Frisco Mayor Maher Maso. "The expansion project has transformed the arena into a well-balanced venue with greater capabilities to host events for everyone. Our residents and visitors enjoy more entertainment opportunities and our city benefits economically from the arena's enhanced ability to host a wide variety of events."

YOUTH HOCKEY IN TEXAS

When the Stars moved from Minnesota to Texas, they made exposing the Dallas/Fort Worth community to hockey an organizational priority. By constructing and operating several Dr Pepper StarCenters throughout the Metroplex, the team has been able to have direct involvement with building and growing the game of hockey in the greater southwest.

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the league. The facility in Farmers Branch was built in partnership with that city, as was the facility in Euless. The Stars also have facilities in Irving and Plano. The Dr Pepper StarCenter Plano re-opened on June 23, 2012 after undergoing extensive renovations.

The Stars have come a long way since moving to town nearly 20 years ago. When the team first set foot in Texas, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host hockey). There were no high school or traveling hockey teams, only 250 local children playing the sport and only 225 adults playing in recreational leagues.

Today, there are more than 5,000 North Texas kids and adults playing recreational hockey on over 20 sheets of ice in the area, including about 55 high school hockey teams.

With all the success the Stars have had growing the sport, it's no surprise that the Lone Star State is beginning to produce world-class hockey talent. Since 2005, 13 native Texans have been drafted into the National Hockey League, including eight who hail directly from the area (Dallas, Plano, Coppell, Arlington, Lewisville). Nine of those players have been selected since 2008, making Texas a top-15 producer of American NHL draftees in that span. In the summer in 2013, Plano native Seth Jones was selected fourth overall in the NHL Entry Draft by the Nashville Predators, the highest a native Texan has ever been selected.

The Dallas Stars have also played a crucial role in the development of the Dallas Stars Travel Hockey League (DSTHL), a youth travel hockey league dedicated to the continued development of amateur hockey players across Texas.

The league was initiated to lower the costs for first-time players and streamline travel programs in the area to increase competitiveness and development at the elite levels.

The 12-team travel league began play in the fall of 2012.

DALLAS STARS FOUNDATION

MISSION STATEMENT

The Dallas Stars Foundation was established to serve as a positive force throughout the Dallas/Fort Worth Metroplex.

The Foundation focuses its efforts on providing support to the children of the community so they may lead quality lives and develop into contributing members of society.

Through teamwork, interaction, and education, the Dallas Stars Foundation works to bring together all members of the Metroplex and build a bright future for today's youth.

FITNESS STARS

Fitness Stars will teach children the importance of healthy eating and keep them active through the great game of hockey in order to help fight the childhood obesity epidemic. Every participating P.E. class will receive materials and training for a 5-week long hockey and nutrition program.

LITTLE ROOKIES

Little Rookies will give children ages 4-8 an opportunity learn to play the game of hockey through 4-week programs conducted by Dallas Stars staff. A full set of equipment is provided to each child for use during the program and a Dallas Stars Little Rookie jersey to take home with them.

MOLINA HEALTH CARE STICK WITH READING PROGRAM

Molina Health Care, in partnership with the Dallas Stars Foundation, will encourage teachers to track how many books their students read in the classroom during a one-month period. The classes will receive incentives such as Dallas Stars prizes, a visit from Stars player Alex Goligoski and books donated to their class from Molina Health Care.

BOB GAINEY HONORARY SCHOLARSHIP

In honor of Bob Gainey, the Foundation established the Bob Gainey Honorary Scholarship. Each year, one very deserving Metroplex high school senior athlete will be awarded the scholarship based on academic achievement, community and extracurricular involvement, and financial need.

JR. STARS SCHOLARSHIP

The Dallas Stars created the Junior Stars and Star Champions Scholarship Funds in 1997 to promote sportsmanship and academics as part of the figure skating and hockey experiences. Recipients exhibit strong academic performance, financial need, involvement in extracurricular and/or community activities, and exemplary conduct during practices, games and competitions.

On Feb. 12, 2013 the Stars recorded a 4-1 win over the Edmonton Oilers for the club's 759th victory since its relocation to Texas, surpassing the win total of 758 posted by the Minnesota North Stars. Here are some of the more notable accomplishments over the last 20 years:

On October 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing faceoff, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.

RETIRED NUMBERS

7 Neal Broten

Neal Broten finished his NHL career as the most decorated player ever born in the United States. As early as high school he was a champion, taking Roseau High School to three Minnesota State High School Hockey Tournaments. He would go on to lead the University of Minnesota to the 1979 NCAA Championship and was awarded the first-ever Hobey Baker Award as the nation's top collegiate hockey player in 1981. Broten entered history in 1980 as he helped the "Miracle on Ice" U.S. Olympic team win the gold medal. He was the last member of that squad to play in the NHL. Broten, fittingly, scored his first career NHL goal in his first career NHL game with the Minnesota North Stars on March 31, 1981 vs. St. Louis. In his first full season, 1981-82, he was named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60-98).

Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for assists in a season with 76.

Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. He was dealt by the Stars to New Jersey in February of 1995, where he achieved his remaining goal. Having been to the Stanley Cup Finals twice before with the Stars (1981,1991), he played an instrumental role in the Devils' Stanley Cup victory in 1995, finishing second on that championship club with 19 points (7-12-19) in 20 playoff contests. Broten began the 1996-97 season with New Jersey, and had a brief stint with Los Angeles before the Stars reacquired him off waivers on January 28, 1997. Finishing the season with Dallas, Broten totaled 923 points for his career, the second-highest point total ever for an American-born player behind only Joe Mullen (1,063).

In June of 1996, Broten was honored with USA Hockey's Distinguished Achievement Award and in April of 1997 he was named to the All-Time USA Hockey First Team. In addition, he was selected as USA Hockey's Player of the Decade for 1976-77 to 1985-86 and in the Summer of 1997 was named a recipient of the Lester Patrick Award for outstanding service to hockey in the United States, one of only two players (Ken Morrow) to win the Award twice, having won it the first time as a member of the 1980 gold medal USA team. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

Bill Goldsworthy

8

Bill Goldsworthy started his career as a North Star in 1967 when Minnesota selected him from Boston in the 1967 expansion draft. He made his name with the North Stars through goal-scoring and the invention of the Goldy Shuffle. Goldsworthy set marks throughout his career, becoming the first player from a post-1967 team to score 200 goals and the first to score 250. In 1971, Goldsworthy became the team's leading scorer and goal scorer, a mark he held for over a decade. His 48-goal season in 1973-74 was the best ever by a North Star until 1981-82 and he averaged over 30 goals a year

during his Stars career. In 1976, Goldsworthy became the first North Star ever to reach the 500-point plateau. In 670 games with Minnesota, he totalled 267 goals and 239 assists for 506 points. Goldsworthy's number eight was retired on February 15, 1992.

Bill Masterton

Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68. He played two seasons of professional hockey for Hull-Ottawa of the EPHL in 1961-62 and Cleveland of the American Hockey League in 1962-63. The North Stars retired Masterton's jersey number in memory of the only professional hockey player to lose his life because of an injury suffered during an NHL game. Masterton hit the back of his head on the ice on January 13, 1968 against Oakland, and passed away two days later. The North Stars named the Bill Masterton Memorial Cup Award in his memory, presenting it to the North Stars player voted most valuable by his teammates during the season. Masterton's number 19 has never been worn by another Dallas or North Star and was retired on January 17, 1987.

THE BILL MASTERTON AWARD

The Bill Masterton Memorial Award is presented to the Stars player voted by his teammates to be most valuable to the team. It is awarded in memory of the Stars center who died in 1968, as a result of on-ice injury.
